Learning focus in Term 4!

A brief overview of learning in
Term Four

Oral Language

This term our oral language topics will be linking to the learning and events happening in classes. A copy of the subject we will be discussing each week, and the day your child will be sharing with the class, will be sent home this week.

Inquiry/Integrated

Our inquiry and integrated focus this term will focus on Cultural Celebrations, where we will explore what celebrations look like for the many cultures that make up our school at West Park.

Our students will be exploring and learning about how to stay safe out in the sun. Looking at what our bodies need and how to be prepared!

We will also be putting our drama and performance skills in action as we learn about traditional fairy tales.

Notices...

WARMER WEATHER!

Please ensure children have a named, full brimmed sunhat to help protect your child when playing outside. We also strongly encourage sun screen to be applied before school and students are welcome to have a small bottle to re apply as needed throughout the day. This is often best stored in a zip lock bag to prevent any leakages through school bags.

ASB Trip

This term will also include another trip to the ASB Sports Centre on the 17th of October. Thank you to those that have offered to come along and support the children!

BOOK ROOM HELPERS

Anyone who can volunteer to help put books away for an hour on a Friday morning please contact Paula Mclvor by email (paulam@westpark.school.nz). This is a huge job for teachers and we greatly appreciate having a team of amazing parents help with this. Depending on numbers you might only have to do it once a term.

We all look forward to an awesome term together in Team Miro!

Kind regards,

Helen Ayres, Amanda Sharpe, Paula Mclvor
and Erica Leggett
