Kia ora koutou

The Home and School committee are very excited to be working on a West Park School cookbook and we need your help. We think this will be a wonderful way to celebrate our cultural diversity while creating a keepsake that may be used for many years to come. We are asking each family to submit a favourite recipe to be included.

Below are some guidelines for submitting recipes so that we can collate them and put the cookbook together.

- 1 recipe per Family.
- Please include children's names when submitting.
- Photos of the completed recipe or children cooking it can also be submitted. This is completely optional – we are not able to guarantee that the photos will be used.
- Any recipe is acceptable – we will group recipes together and in the event of double ups we may ask for another recipe.
- Students will be able to enter a design competition over the holidays. The winning design will be used on the cover and other designs may be selected for artwork within the chapters.

Once printed, the cookbooks will be available for purchase and any funds raised will be put towards additions to the junior playground.

Recipes need to be submitted by 31st July 2020 to the email address below:

We look forward to receiving all your wonderful recipes.
