## Life Education Program Visit

Dear Parents/Caregivers,

From Monday 10<sup>th</sup> August 2020 until Tuesday 25<sup>th</sup> August 2020 West Park School is being visited by the Life Education Van and an old friend of ours, Harold the Giraffe.

Life Education Trust works with schools to provide an engaging, interactive, positive health education resource for our children. Their learning modules cover a wide range of health topic delivered by fully registered New Zealand teachers who undergo additional training for this specialist position.

The focus for each stage level is:

Yrs. 1 and 2: Feelings and Resolution

Yrs. 3 and 4: The Body

Yrs. 5 and 6: Relationships

This year the cost of the programme will be covered for all students.

Kindest Regards,

Helen Ayres
