Every student matters, every moment counts.

There is **no cost** for these lessons this year.

Swimming lessons would not be possible without the help from parents. **Each classroom will require at least two parent helpers on each day** the class attends lessons. The role of the parent helpers is to assist in walking the children safely to and from Keith Spry Pool. If you are able to help, please indicate on the permission slip attached.

Please sign and return the attached permission slip as soon as possible.

Kind regards,
