Every student matters, every moment counts.

14th September 2020

Dear Parents & Whanau,

We are pleased to announce that the 2020 Northern Suburbs Netball programme registrations are opening soon for Year 1 and 2 students. In order to secure your child's place in this programme, please complete the attached form and return it to Mrs Schilder in Room 4.

Please note that your child will not be placed in a set team in this programme. The sessions are made up of 30 minutes of skills training followed by a 20 minute game, where the students are encouraged to play with different players each week in small teams so they all get a chance to throw, catch, and shoot.

We will need your assistance to help the students along the way. We are looking for 'Star Helpers' to volunteer to help out with the coaching. You don't need any experience to become a helper, but you will need to attend the 'Star Helper' clinic on 11 October from 10am to 11:30am (you may bring your children to this if you need to). If you sign up as a volunteer you would be expected to attend each session that your child attends, but there is no requirement for you to attend every other session. We need to have 1 'Star Helper' for every 4 children that we register through the school, so any help with this would be greatly appreciated.

The Year 1 and 2 netball programme runs for 8 weeks, starting from Sunday 18 October. The sessions will be held at Queen Margaret College Gym, 53 Hobson Street in Thorndon. Adults are expected to stay at the sessions with their children for their duration. The fee for each student is \$35. Both permission and fees will be loaded onto KINDO once your child has been registered. A confirmation email will be sent to you once registration has been completed.

This is a wonderful way to give to your school community and provide opportunities for our kids to learn and grow in sport. Again, no experience is required, just a can-do attitude!

Kind regards,

Alisa Schilder
