Year 6 Graduation and Performing Arts Evening

Dear Parents/Caregivers,

On Tuesday, December 15th from 5.30pm until approximately 7.30pm we will be holding our Year 6 graduation evening at Onslow College hall. The evening will be a mixture of performances, speeches and a presentation for our Year 6 leavers.

The three school dance groups will be performing, two students will deliver their persuasive speeches that they presented to their class during Term 4 and all Year 5 and 6 will be performing songs from their Kapa Kaha sessions. It promises to be a wonderful showcase of the varied talents our students possess. All students have spent many hours working on these performances and are looking forward to performing them for you. We would appreciate it if the audience could stay to the end of the event, helping to celebrate the journey that our departing students have experienced as they move on to Intermediate School.

If you have any questions about this event, please get in touch with me on michaelj@westpark.school.nz.

Kind regards,

Michael Joseph (on behalf of Team Kahikatea)
