

**BOOK FAIR 2020:** *Many thanks to all the families who supported this year's Scholastic Book Fair. It was a huge success raising \$6274 of which West Park School gets 35% (\$2195.90) to spend on books and classroom resources. This is a fantastic effort that could not have been achieved without the wonderful support of Rachel Drew, who coordinated the roster for setting up, taking sales before and after school and the final pack up. Many thanks to all the Teacher Aides and parent helpers who so willingly gave up their time to make the fair so successful.*

Helen Ayres - (West Park School Book Club Coordinator)

Thanks,  
Helen
